Dear Mr. Hedberg,

On September 20, 1991, Joelle Burns spoke to Rody Cox over the telephone regarding the status of Great Basin Construction mineral material trespasses. Additionally she requested copies of maps related to notices of intent submitted by Mike and Sandra Sprunger.

Enclosed is a Staff Report that reviews our actions concerning Great Basin Construction (no longer in business), I have also included relevant correspondence.

Location maps for the Sprunger's notices UT-054-90-02N thru UT-054-90-06N have recently been obtained to complete inspection reports. Copies of these maps are enclosed with this letter.

Should you have questions regarding the above information please call Rody Cox at (801)743-6811.

Sincerely,

Dave Henderson
Area Manager
